

All unpaid units must pay day of parade.

# Parade Line-Up

Please make sure to sign in and register with parade staff before you locate your spot and begin to set up your unit as your line-up number may have changed. If you do not register in the sign-in area you will NOT be in the parade. There will be volunteers on each block that can assist you with any questions you may have and direct you to the sign-in area. This is located at 3rd and Hennepin.

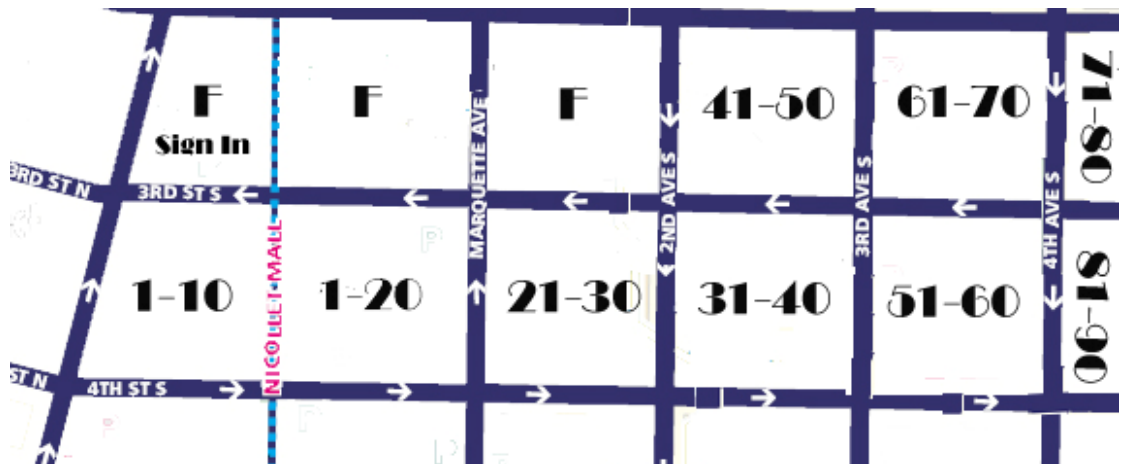

Due to the size and difficulties in maneuvering floats, they will be placed in the first 3 staging areas and will be inserted into the parade in order. For this reason, you MUST be in the staging area no later then 9:30am for set up and sorting.

All other units and Parade Participants: You must arrive early! The streets close at 8:30am to all but parade traffic. Please see signs posted at each block for your location or ask one of the volunteers; they will be able to assist you to your spot!

If you have cars that are registered to be in the parade please arrive as close to 9:30am as possible. This makes it easier for you to get into your spot without endangering pedestrians.

Your full cooperation with the parade staff will be greatly appreciated. They have a tremendous job to do, so please help them out by being early.

Once again, this year we will have bathrooms for parade participants!
